THE STAFF

Camp Sunrise consists of a Director who oversees all of the groups and maintains communication with the Parks and Recreation Department. The Assistant Director reports to the Director and assists each of the Group Leaders with daily tasks and coordinates all volunteers. Campers are grouped by age and ability into different groups. Each of these groups has their own Group Leader and share an Assistant Group Leader. We also utilize many high school age volunteers throughout the summer. New this year, Camp Sunrise will have a part-time nurse to assist with campers that require medication, tube feeding and management of other medical conditions. The camper to staff ratio is usually around 5:1. Our staff consists of college age or older individuals who have had experience working with special needs children. Many of our staff members are studying to be teachers or special educators. The Director and Assistant Director are certified in first aid, CPR and medication administration. All staff has received "PMT (Physical/Psychological Management Training)".

WEEKLY SCHEDULE

Typical activities include arts and crafts, swimming, sports and other special event activities. A weekly schedule will be e-mailed and also brought home with your camper on the first day of each week of camp. It contains important information regarding field trips, special events, etc. It is essential that you read through the information thoroughly, as specific requirements may differ for each trip. Prior to the beginning of camp, you will also receive a program calendar that covers all seven weeks of camp and details swimming days when your child should bring a bathing suit, towel and change of clothes. We strongly suggest that campers apply sunscreen in the morning prior to camp. Additionally, we encourage campers to have **spray** sunblock (minimum SPF 15) with them at camp at all times as campers are outside on a regular basis. **We are unable to apply topical sunscreen.**

SWIMMING

Campers, staff and volunteers will be transported by bus to and from Addison pool for swimming as listed on their weekly schedules. This is a free swim and does not include any formal lessons. You must send your child to camp with a towel, bathing suit, and change

of clothes on any day they have swimming on their schedule. Most Group Leaders and volunteers will be in the water with the campers. Those campers with little or no swimming ability will be in the shallow end with swimming aids and one to one assistance from camp staff/volunteers or in the wading pool. Campers with a higher swimming ability may swim in the deep end of the pool. Certified lifeguards ensure safety at the pool with support from our staff. If your child is not toilet trained or is prone to accidents, they **MUST** wear swim diapers.

FIELD TRIPS

Campers will attend at least one group field trip per week. There is typically also one whole camp field trips each week. Parents/Guardians are encouraged to attend any field trips, but you must provide your own transportation and admission costs. You may call Camp Sunrise to obtain expected arrival information. All field trip days are detailed in your weekly schedule. Transportation by school bus and/or van is provided to and from all field trips.

LAST WEEK OF CAMP

The last week of camp is devoted to color games which are similar to camp Olympics. There are no field trips that week. The last day of camp is a half day (11:45 a.m. dismissal) to prepare for the end of camp banquet.

ADDITIONAL FEES

On occasion trips may suggest additional fees to cover the cost of items for special events/activities (i.e., ice cream, pizza, etc.) These are always optional and for those who choose to participate. Additional spending money for off-site activities is not required, but is recommended. **Please put a note in your child's backpack if you are sending money for a specific reason. Please be as detailed as possible with correspondence.**

CAMPER SHIRTS

All campers will receive 1 Camp Sunrise shirt which corresponds with the color of their group. This is a thank you for registering, as well as a safety measure. We ask that campers wear their camp shirts on all field trip days. Additional shirts are available for purchase at a cost of \$10/shirt (\$12 for XXL or Larger).

PROGRESS NOTES

Each week, your child's Group Leader will send home at least 1 note to let you know how your child is doing at camp. These notes are meant to keep you informed of special things that have happened at camp. Please make sure to check their bags on a daily basis. Staff has many responsibilities throughout the day. If you have specific concerns, have sent something with your child to camp for a specific purpose or would like more feedback from staff, please contact camp directly. Progress notes are NOT meant to be the only communication between parents and staff and will only provide a snapshot of the weekly activities.

LUNCH

Campers must bring lunch to camp every day. If your child has special dietary concerns, please indicate so on your application. Fruit juice for lunch and snack will be provided.

CAMP SUNRISE PHONE & PHONE NUMBERS

All phone contact with the camp should be directed through the Glastonbury Parks and Recreation Department prior to the start of camp at (860)652-7679.
